SERVICE AND CARE

MAINTAINING YOUR RALPH LAUREN TIMEPIECE

CASE

- To keep your timepiece in pristine condition, clean it regularly with a soft, non-abrasive cloth.
 - Do not submerge timepiece in cleaning liquid.
- If your timepiece becomes scratched, return it to the place of purchase or to an authorized Ralph Lauren After-Sales Service Center for professional polishing.
 - We recommend limiting polishing to prevent wear on precious metals.

LEATHER STRAP

- Leather may become distressed with daily use and exposure to lotions and creams.
 - Remove your timepiece nightly to allow the leather to breathe.
 - Do not submerge leather in water or liquid of any kind.

AFTER-SALES SERVICE

- Owners of Ralph Lauren timepieces benefit from a global network of After-Sales Service Centers that are staffed by an elite cadre of master craftsmen who have met the highest standards of Swiss watchmaking and are authorized to perform maintenance on Ralph Lauren timepieces.
- To ensure optimal performance have your timepiece checked every two to three years and fully serviced every four to five years.
